Big Brains
Little Jumbo

A collision of epistemological overconfidence and actual knowledge. hosted by DumbAshe Trivia.

Del Maguey Vida Mezcal, Aperol, Lime, Velvet Falernum, Habañero Bitters ... 14

COCKTAILS *Mixings for the Evening*

THE TEQUILA PUMPKIN CAPER

In the beginning there was just pumpkin spice. Then God rubbed pumpkin spice together and made the world and set it to going. Now, millions of years we humans have placed pumpkin spice atop the food pyramid, and there is much rejoicing over the return of Millita's knockout seasonal TEQUILA SPRITZ variation.

Reposado Tequila, Pumpkin Syrup, Meletti, St. Elizabeth Allspice Dram, Lime, Star Anise, Soda, Sparkling ... 13

YUZU TALKIN' TO ME?

This fantastic low-abv bubbler translates to refreshing and delicious in any language. Most folks don't know how awesome White Port is, don't be one of them–find out why we sell more White Port than anyone else in the Carolinas...

Presidential 10 yr White Port, Yuzu, Boylan's Tonic ... 11

The Martini, our old friend and yours. Always quick with a joke, or to light up your smoke. Always well coiffed, with a rakish grin, a nod, a wink, The Martini endures.

DOCKSIDE HARLOT

Well, yes, at times the Martini has endured the calumnies that result from consorting with friends of loose morals...but don't loose morals have their place as well? As with life, this salty, umami creation is unexpected and at times incredible.

Hayman's Old Tom Gin, Dolin Dry Vermouth, Lustau East India Sherry, Saline, Lemon Twist & Olive Garnish ... 13

PUMPKIN ESPRESSO MARTINI

And after God rubbed together pumpkin spice to make the universe, long after, in the 1980's in London, the Espresso Martini was invented, and now in the present day our lead bartender Millita has taken things to their natural apex.

THE DEVIL'S BEEN BUSY

They say idle hands are the Devil's playthings, but around here our hands are never idle, so the Devil has to make do. This shimmering riff on the underrated 1940's classic EL DIABLO may just be capable of making its own mischief.

Banhez Mezcal, 400 Conejos Mezcal, Creme de Cassis, Ginger Liqueur, Scrappy's Black Lemon Bitters, Lemon, Cane Sugar, Lambrusco, Soda ... 13

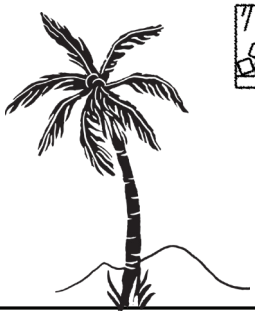

SLAP DAIQ

What's that? Just the facts: The Daiq slaps! Yeah, maybe a whack hat, rum shack, fat stacks, yeah, who knows but that all you need is a nice spiced Daiq...

Plantation Rum 3 Stars, Plantation O.F.T.D. Rum, Acid-Adjusted Orange Juice, Fall Spice Infused Demerara, Dale Degroff's Allspice Bitters ... 13

THE Tropilachia CLUB

When it gets into the depths of winter and the days feel bleak, our alter-ego comes forth… and Little Jumbo turns into the Tropilachia Club for the month of Feb! Here's one of our favorites from last winter:

ITTY BITTY TEENY WEENY TOMATILLO MARTINI

A crowd favorite of the last Tropilachia Club, this savory, briny salsa verde sipper will get you into that island shimmy mindset.

Prairie Gin, Vodka, Tomatillo Brine, Amarulivo Liqueur, Pickled Tomatillo ... 13

THE RITZ MANHATTAN

If you were stranded with just this drink everything would be fine.

Planteray Sealander Rum, Demerara Sugar, Lime ... 19

WOODFORD BACCARAT

The Woodford people say it's the best whiskey they've ever made...We aren't rich enough to've tasted it, so we can't confirm or deny. Go ahead and party like a Vanderbilt and then tell us all about it. Served in the nicest glass we have in the house at the moment you order ... 450
